

QPS BENCHMARKING

Canberra Microsurgery (CMS) is part of the PresMed Australia (PMA) group of day hospitals. As part of our commitment to quality improvement, PMA adheres to the standards of the Quality Performing Systems (QPS) Benchmarking Group. QPS audits hospital data and measures our clinical outcomes against industry averages. CMS then uses these results to improve our patient care, service delivery and quality improvement.

Below are some key highlights from July 2022 to December 2022 quarterly results:
